

## Special conditions € 20 subscription (18/12/2024)

The [general terms and conditions](#), including the special conditions as described below, apply to the € 20 subscription.

### Special conditions

The € 20 subscription is a € 20 (VAT included) monthly subscription, including the following:

- Unlimited calls in Belgium to all Belgian networks. Unlimited calls from all European Union member states (except from Belgium) to another member state (including calls to Belgium, United Kingdom, Norway, Iceland and Liechtenstein), with the exception of special numbers (e.g. 070 or 0900 numbers), even if they are free for local users.
- Unlimited SMS in Belgium to all Belgian networks and unlimited SMS from all European Union member states to another member state (including SMS to Belgium, United Kingdom, Norway, Iceland and Liechtenstein) with the exception of special numbers (e.g. 070 or 0900 numbers), even if they are free for local users.
- 60 GB mobile surfing in Belgium.
- Free mobile data usage up to 30 GB [in the EU](#), after which you continue surfing at maximum speed at € 0,0015/MB, as long as the total 60 GB bundle is not depleted. If that 60 GB bundle is also depleted, the rate increases, and you surf both within the EU and in Belgium at € 0.10/MB.
- 5G-functionality (more info on the [website](#)).

Mobile Vikings mobile subscriptions for individuals have no fixed term. A contract can be cancelled free of charge at any given moment.

Optionally, a bundle of mobile data for use outside the EU ('Global Data Pass') can be activated: 250 MB (€ 10), 1 GB (€ 15) or 3 GB (€ 25). The special terms and conditions for the Global Data Pass are available on [this page](#).
